Sailing 4 Heroes Regatta

Wounded Heroes of Texas and the Lake Worth Sailing Club have joined forces to provide a complete Sailing Course for our wounded heroes. Each Saturday morning we will have two hours of classroom and hands on training followed by lunch, followed by at least two hours of actual sailing on Lake Worth.

The intent of this course is to provide our Heroes with everything that they need to know and some practice time to participate in the Sailing 4 Heroes Championship Regatta.

This course is offered to veterans currently working through the Dallas or Fort Worth Veterans Administration. To find out more, contact Donna at the VA or WHOT at (682) 325-WHOT (9468).
